KBZ Online Banking?

KBZ Online Banking offers a great way for viewing your account balances & transactions, transferring money, and paying bills from the comfort of your home and office. It's simple, secure, and convenient to use anytime anywhere, giving you complete control over your finances.

New Features

Biometric Login: Biometric Login Service is a face or fingerprint recognition feature available to access Mobile Banking App without having to enter User ID and password. Touch Login is available for iPhone or selected Android mobiles while Face login is currently available on the iPhone X and above.

Auto OTP

Auto OTP is an OTP that is sent to your app directly and verified in the background securely, saving your trouble of keying in an OTP sent to you via SMS.

Why Choose KBZ Online Banking?

Easy & Convenient

Manage your finances 24/7 anytime anywhere and while on the go. Spending less time on banking means having more time for your family.

Pay & Transfer

Pay bills from the comfort of your home without having to queue. Set-up scheduled and standing instructions for recurring payment transfers.

Safe & Secure

Multi-level authentication system with enhanced security features to authenticate your identity and protect you from any unauthorised transactions.
